KIRJANDUS

[AWX04] AWX POWER CAPACITORS, Film technology to replace electrolytic technology, 2004.

Railway applications - Supply voltages of traction systems. Standard EN 50163, European Committee for Electrotechnical Standardization, 2004

Electronic power converters for rolling stock, European Committee for Electrotechnical Standardization, 2000

Railway applications - Supply voltages of traction systems. Standard EN 50163, European Committee for Electrotechnical Standardization, 2004

Railway applications - Supply voltages of traction systems. Standard EN 50163, European Committee for Electrotechnical Standardization, 2004
